Re: American Stone Company
Building Stone Quarry
Sec. 9, T. 13 N., R. 13 W.
Box Elder County, Utah

ACT-003-002

On November 4, 1976, a call was received from Ann Staub, a geologist for the Salt Lake District of the B.L.M. She informed us that the American Stone Company had expanded their operation in Fisher Creek Canyon. The local populace had complained that part of their picnic area had been usurped by the mine load-out and palleting area for the mine.

Ms. Staub was informed that the company would be contacted by letter and reminded of their responsibility to file a reclamation plan.
